PRESIDENT'S CLUB MEMBER

Electrical Contractors Association of
Chicago & Cook County

Dear Members,

To benefit the Electric Association, and its mission to serve our members and the Chicago electrical industry, we will host our **15th Annual Silent & Live Auction at the Electric Golf Club of Chicago's Annual "All-Industry" Dinner Dance on Saturday, February 10, 2018, at the Westin Hotel in Itasca.** *The Electric Association is a non-profit trade association that has served the electrical community since 1926. We strive to provide our members with networking, education, and information services to promote better business in our region.*

The Auction not only benefits your EA, but also the Chicagoland Electric Association Education Foundation Scholarship Fund. This annual scholarship is for the children and grandchildren of all EA members! All donors may receive a tax deductible receipt for 25% of the face value of their donation. As of this year, we are excited to have awarded over \$80,000 in Electric Association scholarships since the program's inception!

We are seeking donations for the auction! We are looking for donations that would be non-industry/company specific, and carry a minimum value of \$50. Some examples of appropriate donations include: sporting event tickets, theatre / concert tickets, sports memorabilia, golfing / spa packages, restaurant and hotel gift certificates, home or technology equipment, electronics, jewelry, week-end getaways, etc.

Each Donor will be recognized for his/her contribution by a sign displayed in front of their donation at the auction. They will also be recognized in the auction booklet given to each attendee, and after the event in *ElectricCITY* magazine.

If you would like to make a donation for this special event, please complete the following information and submit to the Electric Association by January 12, 2018. All donations need to be mailed or dropped off at the EA office by February 1, 2018, please.
