24th Annual Homeless Children's Christmas Party

Dear Association Member:

The Chicagoland Electric Association Education Foundation is sponsoring their 24th Annual Christmas luncheon for Chicago area homeless children on Saturday, December 12, 2015. Kids from seven area shelters will enjoy a full turkey dinner with all the trimmings, entertainment, and a gift from Santa himself. Those of you who have worked at the luncheon know how meaningful this event has been for the children and their parents.

We could not do this event without the company toy drives and volunteers but we still have direct expenses that require financial contributions. Your contributions will pay for the location rental, bus transportation for the children, supplies, entertainment (excluding the DJ) and miscellaneous gifts for 100 moms and dads. The remaining balance will be used to purchase a large gift for each shelter. In the past we have given computers, software and printers, and it allowed us to honor their request to donate a large quantity of new blankets, sheets, towels and mattresses to seven participating homeless shelters.

Please consider making one of the following monetary contributions:

- Diamond: \$2,000
- Emerald: \$1,000 – \$1,999
- Ruby: \$500 – \$999
- Sapphire: \$100 – \$499
- Friendship: \$25 – \$99

Please make checks payable to:
