CEEA Membership

Re: Company membership rates

Dear Member and Potential Members,

The CEEA Board would like to offer the following rate structure for company paid memberships. Please note that this new structure would cover company paid (one total check) membership for all members from that company with at least one full year of membership. All new members would still follow the pay structure from our current bylaws. (Initiation fee, etc).

New company fee structure:

- 1-2 people from same company: \$200.00 each per year
- 3-5 people from same company: \$175.00 each per year
- 6 or more: \$150.00 each per year

If there are company members who were previously CEEA members, they will be welcomed back without penalty, just payment of the current year's membership (company fee structure).

We hope that this offering will aid in promoting company memberships.

Thank you,

Your CEEA 2017-2018 Board
