Thank you for your support of the Electric Association & the Chicagoland Electric Association Education Foundation!

Dear Members,

To benefit the Electric Association, and its mission to serve our members and the Chicago electrical industry, we will host our **16th Annual Silent & Live Auction at the Electric Golf Club of Chicago's Annual "All-Industry" Dinner Dance on Saturday, February 9, 2019, at the Westin Hotel in Itasca.** *The Electric Association is a non-profit trade association that has served the electrical community since 1926. We strive to provide our members with networking, education, and information services to promote better business in our region.*

**The Auction not only benefits your EA, but also the Chicagoland Electric Association Education Foundation Scholarship Fund. This annual scholarship is for the children and grandchildren of all EA members! All donors may receive a tax deductible receipt for 25% of the face value of their donation. As of this year, we are excited to have awarded over \$90,000 in Electric Association scholarships since the program's inception!**
